Mr. Francois Langlois
190 rue Chatelle, APP 1
Lasalle, PQ
H8R 2K6

Dear Francois,

Thank you so much for speaking at our National conference and donating your speaker's fees back to Make-A-Wish® Canada. Your incredible generosity and thoughtful gift of \$3,500 will help make lives brighter for many children living with life-threatening illnesses, by helping to make their wishes come true.

To highlight the impact of your engaging and thought-provoking speech, I have included some comments from individuals who attended the conference:

"Francois' dynamic and animated presentation was an excellent way to begin the conference. How could his exuberance not motivate us!"

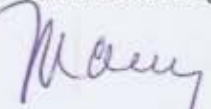

"Incredibly moving and outstanding analogies to the work we do every day for MAW."

"I liked the messages that can be used every day: planning, discipline, focus, perseverance and teamwork."

As you are well aware, there is so much power in a wish. It is a power that has a profound and life-changing affect on all those involved in the wish experience — from the wish child recipient, to the volunteer wish grantor, and everyone involved in the actual realization of the moment. Whether the wish fulfills a child's fantasy, creates an adventure or includes a celebrity or sports hero, the common goal is that it allows the child the opportunity to take a break from being sick.

On behalf of all the wish children, and everyone involved with Make-A-Wish in Canada, I offer heartfelt thanks and gratitude for making the journey to Toronto, giving an inspirational speech and for your generous donation. May all of your wishes come true!

Yours sincerely,

Mary Jardine
Chief Executive Officer

Thank so much for your inspirational message... you are an incredible motivator... Merci!
